Discussion:

1. A **heat wave** with persistently high temperatures is expected in Gauteng, Limpopo and Mpumalanga from Monday (02 December 2024) to Saturday (07 December 2024).
2. Extremely hot and uncomfortable conditions can be expected in the Lowveld of both Limpopo and Mpumalanga, the Western Bushveld and Valley of Limpopo as well as the northern parts of Gauteng on Wednesday (04 December 2024).

Impact: Heat exhaustion. Heat stroke. Syncope and Exhaustion.

Instruction: Avoid going out in the sun, especially between 12.00 and 3.00 p.m. Drink sufficient water and as often as possible. Wear lightweight, light-coloured, loose clothes. Avoid strenuous activities when the outside temperature is high. Do not leave children or pets in parked vehicles.
